President's Corner:

We have some exciting news!

By now you may have heard that Habitat for Humanity of San Antonio and Guadalupe Valley Habitat for Humanity are partnering up and consolidating operations. We are thrilled about this expansion. It will allow us to grow while serving even more hardworking families in need of safe and affordable homes.

We are grateful to you our volunteers and donors. Your willingness to serve our mission over the years truly makes this expansion possible. This year we plan to build three homes in Seguin and 53 homes at our Rancho Carlota neighborhood in San Antonio. We also hope to build Guadalupe County's own first-ever Habitat neighborhood. We are currently working to acquire land for the project.

Our mission remains the same—to make homeownership truly affordable for families in need. Poverty doesn't fall neatly between county lines. By joining forces we can better fight for all of the families struggling in our region. We're grateful for your support as we embark on this new chapter.

In partnership,

Natalie Griffith, President & CEO

Build with us!

There's still time to join our spring build and sponsor a home! Each sponsor is invited to bring up to 25 volunteers. Take a house from studs to completion. It's a great team building opportunity for your congregation or workplace. Show your neighbors in need some love and build with us this year! Call 210-223-5203 to get your organization involved.

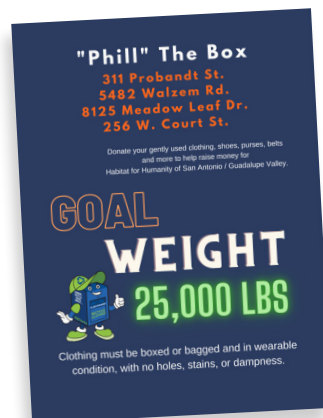

FREE & PAID DONATION PICKUP SERVICES

We've recently partnered with ReSupply to assist in picking up donations for our stores. For a small fee, the movers can provide services that the free donation option doesn't. For instance, paid movers can enter an occupied residence and both disassemble and bring out donations that may be in a multi-level home or apartment. For more information, please visit: habitatsa.org/habitat-home-center/how-to-donate/ or habitatgv.org/restore/how-to-donate/.

CLOTHING FUNDRAISER

Looking for another way to support Habitat? You can now drop off your gently used clothes, shoes, belts, purses, hats and more to any store near you during business hours. Your donation will assist Habitat for Humanity of San Antonio & Guadalupe Valley's homebuilding program.

EARTH DAY

To thank you for supporting our stores and making every day Earth Day... we'd like to give you an Earth Day freebie! Visit any store and pick up your Hab-i-Swag (while supplies last). No purchase necessary. Friday, April 22nd, 2022 from 8am-6pm (San Antonio) and 10am-5:30om (Guadalupe Valley).
